

ANDREW SALAS

★ FOR CONGRESS ★

General Andrew Salas has dedicated his life to defending our country and our freedoms. Andrew is a decisive leader with 37 years of experience at the local, state, national, and international level. Enlisting in 1980, he rose to the rank of General Officer – having served in the Executive Office of the President. Andrew is also a combat veteran having commanded the 332 Mission Expeditionary Mission Support Group, Balad Air Base, Iraq.

In 2012, Andrew assumed the duties of Adjutant General for the New Mexico National Guard. When he took over, our National Guard ranked last in strength and Andrew inherited an estimated 20% unemployment rate. While commanding over 4,000 troops, Andrew turned our National Guard around. We are now among the top states, at 100% strength with our airmen and guardsmen and the unemployment rate was driven down to 3-4%. He also oversaw missions to protect the border against narco-terrorists seeking to bring illegal drugs into the United States.

Currently a conservative Republican candidate running for Congressional District 02, Andrew is ready to put his decades of tested leadership to work for New Mexicans. Andrew is running to be a strong voice for putting Americans first by implementing immigration policies that secure our border and keep us safe, fixing our broken healthcare system, strengthening our national security, and championing pro-growth economic policies.

Andrew is a native of Congressional District 02 and is a Bernardo resident. He and his wife Martha, have five children and three grandchildren and are active in their community. Andrew will lead with his servant's heart, military experience and family values to fight for what matters most to us.
