

**RESTORING THE PITCHFORK RANCH** tells the story of a decades-long habitat restoration project in southwestern New Mexico. A. Thomas Cole explains what inspired him and his wife, Lucinda, to turn their retirement into years dedicated to hard work and renewal. The book shares the past and present history of a very special ranch south of Silver City, which is home to a rare type of regional wetland, a fragile desert grassland ecosystem, archaeological sites, and a critical wildlife corridor in a drought-stricken landscape.
