Subject: Prelim and PTDM in Anthony Alba and Felicity Castaneda

Hearings were held for both today. Anthony Alba was bound over on all charges and remains detained in jail pending trial.

Felicity Castaneda waived her preliminary hearing and the state argued for her continued detention however, the court ruled that she would be released on the highest level of supervision, pending trial zero tolerance. The racketeering enterprise involves at least eight other additional, charged suspects. The investigation is ongoing. The state presented evidence through 6th Judicial District Attorney's Office investigator MacKenzie Spurgeon.
