## • Women

Supporting Early Childhood programs and programs serving victims of domestic violence and sexual assault

Preserving Historic and Culturally Significant Sites; constructing and maintaining Fairgrounds and Community Centers; Investing in local Libraries

## • Recreation & Environment

Flood mitigation; creating and expanding walking, hiking, and bicycling trails

My goals include a better future for District 39 and all of New Mexico. I'm proud to roll up my sleeves and take care of business for all of you. Please consider a vote for me, Luis Terrazas, this November so I can continue to help us grow.
