Prong Setting Cabochons Class. Make a cabochon set pendant in prongs, with the option of making two. The skills utilized will be the basics of hand fabrication, soldering, and prong stone setting. By allowing students to choose their own cabochon, students will end the class with a one of a kind finished project and an understanding of some of the basics of hand fabricating with metal, and a basis in prong setting.

Skills Taught:

- Safety
- Setting forming
- Connecting components
- Prong setting
- Finishing & polishing

Required Materials:

Cabochon (Student provides their own. Must be <10mm and >40mm, no hard corners, no concave shapes, flat backed)

Optional Provided Cabochon (purchased from instructor) \$20-\$40

Prerequisite:

Students must have taken one or both of the first two courses offered.
