

PUBLIC INVOLVEMENT MEETING

NM 136 INTERCHANGE FEASIBILITY STUDY (CN E100430)

Join the NMDOT for an in-person

PUBLIC MEETING

Tuesday, October 1st

5:30-7:30pm

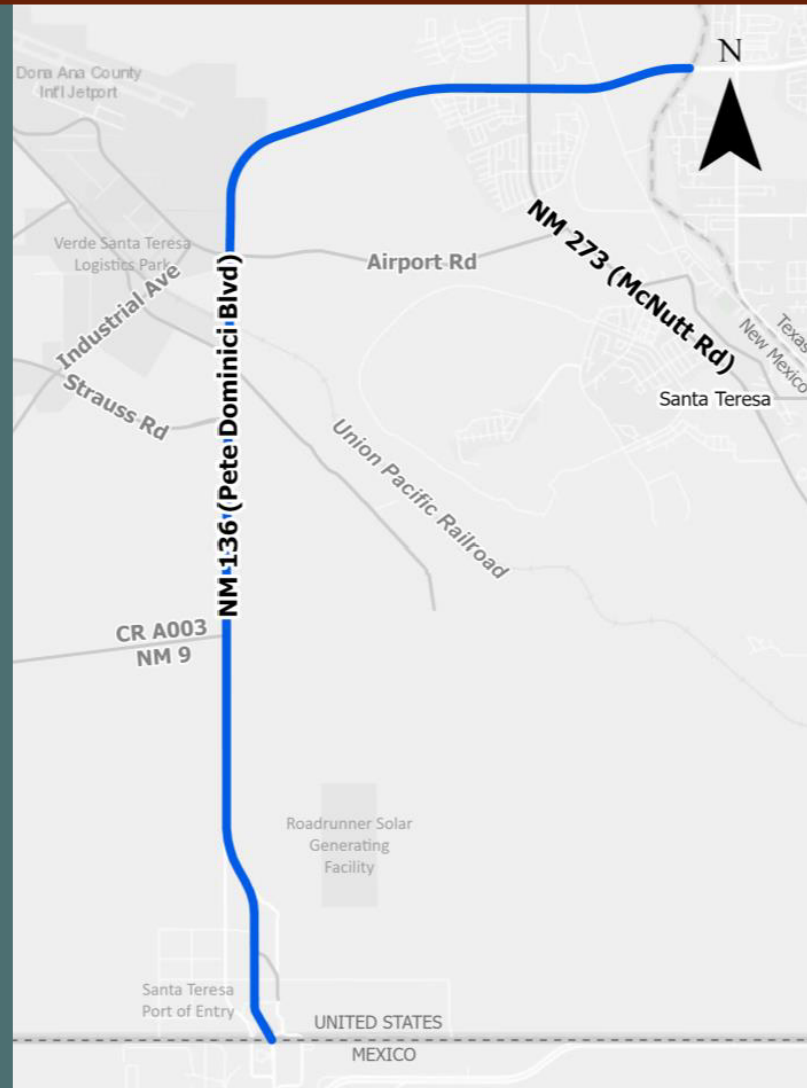

Doña Ana Community College – Sunland Park

3365 McNutt Rd, Sunland Park, NM 88063

The primary purpose of the study is to evaluate grade separated intersection layouts at existing access control breaks along NM 136 from the Santa Teresa Port of Entry to the NM/TX State Line and consider the possibility of frontage roads as needed. Join us for an introduction of the study, in addition to presenting information on existing conditions.

We hope to see you there!

To request Americans with Disabilities Act (ADA)-related accommodations or other technical support for the meeting, contact Denise Aten at **NM136@bhinc.com** or **505-264-0111**

Interpretación en español estará disponible en la reunion o llame al número de teléfono para obtener información adicional: **505-264-0111**

More information is available on the project website:
